THE LINDALE INDEPENDENT SCHOOL DISTRICT
EDUCATING EVERY CHILD EVERY DAY

June 13, 2019
For Immediate Release

LINDALE ISD HIRES NEW ASSISTANT ELEMENTARY SCHOOL PRINCIPAL

The Lindale Independent School District is pleased to announce the hiring of Ms. Kylie Spears as the new assistant principal of College Street Elementary. Spears has served in education for the past 15 years at Tyler Independent School District. She has been in the assistant principal role at Jack Elementary for 3 years.

“College Street Elementary students and staff members are very fortunate to have Ms. Kylie Spears join the leadership team at CSE,” said Stan Surratt, Lindale ISD Superintendent. “Ms. Spears has served in a leadership role for Tyler ISD for the past three years, well preparing her for her new assistant principal role at College Street. Her passion to help students and parents was very evident in the interview process. I believe Ms. Spears will be a strong leader in our district for many years. We are certainly glad that she is coming home to Lindale.”

Spears is a Lindale High School graduate. She earned her bachelor and master degrees at the University of Texas at Tyler.

“I am very excited that I am getting the opportunity to come back home to be a Lindale Eagle again,” said Spears. “I can’t wait to get started and grow professionally from the wonderful educators in this community. I am ready to meet all of the Little Eagles and their families at College Street Elementary.”
