LINDALE ISD HIRES NEW ELEMENTARY ASSISTANT PRINCIPAL

The Lindale Independent School District is pleased to announce the hiring of Mrs. Stacie Rasco as the new assistant principal at Velma Penny Elementary. Rasco has been a teacher at Lindale ISD for the past 13 years. She spent 10 years in second grade, two years in third grade and one year in math intervention.

“I am excited to have Mrs. Rasco join our administrative team,” said Velma Penny Elementary Principal, Kaela Deslatte. “She has been an outstanding teacher in this district for a number of years and I have no doubt that she will continue to be an asset in this new role.”

Prior to Lindale ISD, Rasco was an assistant principal at Owens Elementary in Tyler.

“Mrs. Rasco has been an excellent teacher in our district for many years,” said Lindale ISD Superintendent, Stan Surratt. “She is a past administrator for Tyler ISD and we are excited about her joining the administrative team at Velma Penny Elementary. Mrs. Rasco has a passion to ensure that all students are successful. We look forward to watching Mrs. Rasco grow as an administrator in our district for many years.”

Rasco earned a Bachelor of Interdisciplinary Studies and a Master’s in Educational Leadership from the University of Texas at Tyler.

“I am honored to have the opportunity to serve as an administrator in my hometown where I spent the majority of my teaching career,” said Rasco. “For 13 years, I have been blessed to work beside some of the best educators and I am thrilled to have the opportunity to continue to serve this community in a greater capacity. It's an honor to be part of an amazing school district and continue the tradition of excellence in Lindale ISD.”
