# How to Submit a Google Cloud Assignment in Canvas

<u>Step 1</u>: Authorize the student Google account, if prompted to do so:

Continue to click the verify and continue buttons until you are brought back to the assignment page. (After students do that once, they should not have to do it again.)

Step 3: Clicking the link will open up the Google app they need to complete the assignment. (The student may need to download the Google App - Slides, Docs, Sheets). The student completes the assignment, then clicks the button to go back to the Canvas Student App or their web browser.

Step 4: Back on the assignment page, the student clicks "Submit" and the assignment is submitted to the teacher.
